

## **IMAGINE THIS!**

Imagine this  
A flying cat  
And a wind-up swing  
Imagine that  
And a pillow slide  
And other things  
Like smaller rainbows  
And me with wings  
Imagine that

Imagine you  
With a money tree  
And a Ferrari car  
Imagine me  
With a chocolate room  
And more delights  
Like a box of stars  
And jelly lights

### **CHORUS**

Imagine how it would feel  
To have all your dreams come real  
To wake up every day  
And see surprises come your way

### **BRIDGE**

Let me be what I want to be  
Anytime anywhere that I choose  
And let me be what I want to be  
Until Mum and Dad wake me  
And tell me that tea's ready

Imagine that  
With a magic touch  
A dream comes true  
Imagine such  
A wonderful thing  
A paradise  
Like a sunny song  
Or whatever feels nice  
Imagine how it would feel  
To have all your dreams come real

## WHY

When I was really young  
Learning words had just begun  
I had a favourite word I'll tell you all about  
It was the easiest word to say  
I'd say it a hundred times a day  
It's a word you'll be familiar with no doubt

You see I just didn't understand:  
Why left was left and right was right  
Why day was day and night was night  
Why my brother's face became an ugly sight  
When I asked 'Why?'

Why big was bigger than small  
Why short was shorter than tall  
Or why I'd get no answer at all  
When I asked 'Why?'

## CHORUS

Why  
W H Y  
Why is there a Y in why  
Oh why? Please tell me why

Why I had to sleep when it was dark?  
And why a park was called a park?  
And why don't dogs meow and cats bark?  
I ask you, why?

(Spoken) For example I'd say  
Why does it rain?  
They tell me *how*  
But *why* I'd exclaim  
Don't ask me how but I'll say it again  
Why was it so hard to ask them why?  
ba ba da ba da

## CHORUS

Why  
W H Y  
Why is there a Y in why  
Oh why? Please tell me why (razzmatazz)

I may be young  
But I know my A B C D E F G H I J K L M N O P Q R S T U V W X WHY  
Full stop.  
There is no zed  
Get that in your head  
Just because – that's why!

## **IF ONLY IT WERE SATURDAY**

Wake up in the morning  
In my bed  
Eyes won't open yawning  
I knock my head

Hear the rain pouring  
On the window sill  
Hear my dad snoring  
Going to stay in bed until...

Must be getting late now  
I can hear the shower running  
No more snoring now  
Can hear my mum humming

Baby sister's crying  
Wanting to be fed  
Don't care if I starve  
I just want to stay in bed

### **CHORUS**

Oh I wish there was not any school today  
'Specially when it's raining  
If only it were Saturday  
I would not be complaining

Peeping through my curtain  
Looks so freezing cold  
Stay in bed I'm certain  
Till I'm very old

Hear my mum's voice  
As she's coming down the hall  
I never have a choice  
About getting up at all!

### **CHORUS**

Oh I wish there was not any school today  
'Specially when it's raining  
If only it were Saturday  
I would not be complaining

### **SPOKEN:**

But wait a minute! She's just gone straight past my door.  
She never goes straight past! She always  
Knocks  
Comes in  
Shakes me  
Wakes me and says:  
You'll be late for school!

Always. But not this morning.  
This Friday morning.

Something doesn't fit  
Something isn't right  
Wait a minute: I get it!  
Last night was Friday night!

Hey today is Saturday!  
Saturdays are fun  
A rainy day and boots day  
GOOD MORNING EVERYONE!

## I CAN FLY

Today's a holiday from school  
Now what'll I do?  
I know! I'll go flying!  
What to come too?

### CHORUS

Look up in the sky  
Birds can fly so high  
And an aeroplane passes by  
I'm going to fly

Too low on the garden chair  
Now what'll I do?  
Too low on the picket fence  
Now what will I do?  
I know, I'll go even higher  
Want to come too?

Looking up at the garage roof  
Now what'll I do?  
Start my engine, flap my wings  
Now what'll I do?  
Don't know how to go even higher  
What about you?

### CHORUS

Look up in the sky  
Birds can fly so high  
And an aeroplane passes by  
I'm going to fly

There's a secret in flying he said  
This is what you do  
Shut your eyes and imagine  
That is all that you do  
Now you know how to go even higher  
And I can come too!

### CHORUS

Look up in the sky  
Birds can fly so high  
And an aeroplane passes by  
And clouds that float behind  
And so can I  
I can flyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyyy

## **BEING BOSS**

### **CHORUS**

Just for one day...  
I want to be boss (I want to be boss)  
I want to be boss (I want to be boss)  
I want to be big (I want to be mean)  
I want to make rules (don't want to be seen)  
to be too small (to be too small)  
To be in charge (to be in charge)  
To be quite large  
And not too small  
To be seen to be mean  
(I want to be boss, I want to be boss)

So come on Mum, tidy your room  
Do it now, I don't want it done soon  
Now hurry up, we've got to go shopping  
No time for TV, no time for stopping

Buckle you in, now don't make a noise  
Oh gracious me, you've forgotten you toys!  
Be quiet Mum, I'm trying to drive  
We want to get back in one piece alive!

### **CHORUS**

I want to be boss (I want to be boss)  
I want to be boss (I want to be boss)  
I want to be big (I want to be mean)  
I want to make rules (don't want to be seen)  
to be too small (to be too small)  
To be in charge (to be in charge)  
To be quite large  
And not too small  
To be seen to be mean  
(I want to be boss, I want to be boss)

Now get in the trolley, no you can't ride the horse  
I know I said yes, but I meant no (of course)  
We'll soon 'round the aisles and won't have fun  
'Cause shopping's a chore, it just has to be done

No lollies, no toys, not even a drink  
Be careful, don't grab! I'm trying to think!  
Hurry, be quick! Lift your feet mum  
We've got to get home, there's work to be done

### **CHORUS**

I want to be boss (I want to be boss)  
I want to be boss (I want to be boss)  
I want to be big (I want to be mean)  
I want to make rules (don't want to be seen)

to be too small (to be too small)  
To be in charge (to be in charge)  
To be quite large  
And not too small  
To be seen to be mean  
(I want to be boss, I want to be boss)

More cleaning, more cooking, more washing, more chores  
I don't like this, and I hate seeping floors  
Hey stp! I've changed my mind about being boss  
It's yucky, it's no fun and I feel onely and lost...

So (yeah?)  
Not even for one day...

#### CHORUS

I don't want to be boss (don't want to be boss)  
I don't want to be boss (don't want to be boss)  
I don't want to be big (don't want to be mean)  
I don't want to make rules (I want to be seen)  
to be too small (but not too small)  
To be in charge (Holy Roller)  
Not smaller than anything I've ever been  
And not too small to ever be seen  
I'll never mean to be mean  
(Don't want to be boss, don't want to be boss)  
Oh yeah

## **SARAH'S SURPRISE**

### **SPOKEN**

Hi Dad, it's good to see you  
Mum said you were coming today  
What's that you've got behind your back?  
Is there something you want to say?

Hey Dad these are my best friends  
Amy, Ben, Alice and Bree  
Please show us what you've got!  
Come on Dad, we have to see

### **CHORUS**

(Wow!) It's such a huge lollypop  
The biggest brightest lollypop  
Too big to even see over the top  
So big, so huge, so bright  
Reckon I'm going to be here all night  
Just licking, just licking

Hey everybody isn't my dad great  
Isn't he the best around  
Where on earth would he get such a thing?  
Can a lolly that big really be found?

'Can I have some, Sarah?' said Amy  
Then the others asked too  
I said 'No, it's too big to share  
And I don't want to share it with you.'

Amazing treat this beautiful sweet  
I bet it tastes so good  
Unwrap that plastic off the top  
Who cares about the other food

### **CHORUS**

It's such a huge lollypop  
The biggest brightest lollypop  
Too big to even see over the top  
So big, so huge, so bright  
Reckon I'm going to be here all night  
Just licking, just licking

Come on Sarah, share it  
Come on Sarah, share it  
They sang, dancing round and around  
'Til my lollypop smashed to the ground

I didn't know whether to laugh or cry  
It all went quiet as I looked at Dad

We stared at each other for a minute  
And then he looked surprisingly glad

#### CHORUS

It was such a huge lollypop  
The biggest brightest lollypop  
Too big to even see over the top  
So big, so huge, so bright  
Reckon we're going to be here all night  
Just munching on little bits  
What do you reckon, kids?

## **I AM ME**

I've got a friend called Suzie  
Who eats lots of peppermint crunch  
And my sister Bernadette  
Has pickles everyday for lunch  
But I'm not that unusual  
In the things I like to eat  
I just like tomato sauce on everything but meat

There's a boy at school called Alex  
Who's really good at sport  
And Sam can play the piano  
Even though he's never been taught  
But I'm not that spectacular  
When it comes to things like that  
I just love to draw pictures of my cat

### **CHORUS**

Oh I am me (I am me)  
And I'm glad to be (glad to be)  
And you are you and I am me  
And we're glad to be  
If there was anyone else in the world  
I'd rather be  
I'd be...  
I'd be nobody else but me

There are many people in the world  
Who have different coloured skin  
And some of us are very tall  
And some are short or thin  
But even though I'm different  
I'm really just the same  
Everyone has a heart that loves  
We've just got different names

### **CHORUS**

Oh I am me (I am me)  
And I'm glad to be (glad to be)  
And you are you and I am me  
And we're glad to be  
If there was anyone else in the world  
I'd rather be  
I'd be...  
I'd be nobody else but me

## **IT'S NOT FAIR SOMETIMES**

It's not fair sometimes  
All I want to do is play  
But Mum says 'Not today'  
Sometimes it's not fair

It's not fair sometimes  
I just want to eat sweets  
But have eat my veggies and meat  
Sometimes it's not fair

### **CHORUS**

It's not fair sometimes  
They don't care sometimes  
Daytimes are supposed to be fun times  
Sometimes

It's not fair sometimes  
I just want to stay dirty  
But have to bath at 7.30  
Sometimes it's not fair

### **CHORUS**

It's not fair sometimes  
They don't care sometimes  
Daytimes are supposed to be fun times  
Sometimes

But sometimes  
I don't want to play anyway  
And sometimes  
All I want is meat to eat  
And sometimes  
It's a laugh to have a bath  
And that's fair  
Yeah!  
Sometimes  
And that's fair...  
Well, sometimes.
